COURSE ON ADVANCED MONITORING AND EVALUATION

COURSE CODE: CFG-04-02-004

The course aims to build and enhance the participants' skills and understanding of M&E and work through complex challenges. Specifically, the course provides participants with up-to-date and deeper knowledge on M&E that will enable them to conduct an evaluation of programs and projects using statistical analysis and other methods.

COURSE CONTENT

- Importance of M&E in Government
- M&E Concepts and Principles
- Project Cycle Management
- Data Collection Tools in M&E
- Results-based Performance Management System
- Data Analytics and M&E
- Organizational M&E
- Progress M&E
- Results M&E
- Reporting M&E Results

DATES, VENUE & FEE

- **Duration:** November 19-23, 2018 (5 days)
- **Location:** DAP Building, Pasig City (non-residential)
- **Course Fee:** PhP 22,500.00 per participant
- **Contact person:** Kristine Ann Sindac
