III. Project Details**Project Description**

The Master in Public Management major in Development and Security (MPM DevSec) and the Armed Forces of the Philippines Command and General Staff College (AFPCGSC) is a joint program of the Development Academy of the Philippines (DAP) and the Armed Forces of the Philippines (AFP) through the approval of the Department Circular Nr 5. It is crafted as a twinning program for the mandatory mid-career course of AFP officers before they are promoted to "06" position. The intensive degree programs seek to build the competencies of future leaders within the overarching framework of development and security. The program believes that enduring peace and prosperity can be achieved only by melding and balancing the relevant and key substantive sub-fields of national security and national development into a focused, single-minded, and reasonably coherent whole.

Project Objective

At the end of the twinning program, the student-officers should be able to:

1. Explain the basic concept, theories, frameworks, models, principles and dimensions of development and security;
2. Appreciate the institutional mechanisms of the nexus of development and security;
3. Analyze critical issues and concerns that impact in the development and security of the country;
4. Develop strategies, tools and techniques that will address identifies development and security issues and concerns;
5. Understand and develop skills in conflict management and peace building; and,
6. Use acquired skills in preparing and introducing strategic programs through the Development and Security Action Plan and Program that the AFP and other instrumentality of government can utilize.
